	Crude Fiber (Max)	30.0%
	Moisture (Max)	12.0%

INGREDIENT ANALYSIS Guaranteed MAXIMUM NUTRITION

Feeding Instructions

Stampede Timothy Alfalfa Cubes can be fed as is right out of the bag or they can be soaked to facilitate mixing a grain and forage mash. However, soaking is not necessary.

Substitute normal hay with Timothy Alfalfa Cubes on a weight for weight basis.

Stampede Timothy Alfalfa Cubes can be fed as the sole forage source, used as part of a forage program or fed as a treat.

Feed Timothy Alfalfa Cubes at ground level in the pasture or in your horse's feeder.

When fed as the sole forage source, be sure to feed at least 10 pounds or more per horse per day.

The amount fed should be adjusted to maintain the horse's desired body condition and energy level.
