- **Maximizes Absorption**
- **Simplifies Stall Cleaning**
- **Reduces Dust**
- **Increases Comfort**

## Instructions for Use

### **Initial Application:**

Clean stall thoroughly.

For an average stall, empty 6 bags of Stampede EZ CLEAN shavings onto floor.

Spread with a rake to distribute evenly.

### **Daily Maintenance:**

Remove all solid droppings and densely wet patches.

Redistribute remaining shavings evenly.

### **Weekly Maintenance:**

Add Stampede EZ CLEAN by the bag as needed to maintain the desired depth of shavings.
